

## SQ3R

### *Survey, Question, Read, Recite, & Review*

#### **Survey the Chapter**

- Read the chapter introduction and learning objectives
- Read the headings and subheadings
- Read the chapter summary and the chapter questions
- Look over any boldfaced terms

#### **Question the Text**

- Create basic “wh” questions of each heading
- "Wh": what, when where, why, how

#### **Read**

- Read each section with the purpose of answering your question
- Highlight words and/or short phrases only that you think relate back to your question.
- If you get stuck, keep reading and note it with a question (?) mark.

#### **Review & Recite**

- Stop after you are done reading 1-2 sections.
- To the best of your ability, try to answer the question you created out of your heading.
- Reread the section if you were stuck, and note what is making you confused.
