

Directed Learning Activity (DLA): Understanding Vocabulary

Outcomes: At the end of this activity, you will be able to understand new vocabulary words with the use of:

- Context clues
- Word parts: prefixes, suffixes, roots

Activity: Ask a Literacy Center tutor for the *Comprehension Skills Series: Understanding Vocabulary* text.

1. Read Part One and Two (pages 5-16) and answer the following questions:

Context Clues

- a. What does the word “context” mean?

- b. How do context clues help you understand new words while you read?

- c. Read the following sentence and circle the best meaning of the underlined word.

Thomas went to the apex of the mountain, and because it was so high, he had to take a tank of oxygen with him.

- i. Bottom
- ii. Breathe
- iii. Top
- iv. Clear

What clue in the sentence do you think helped you choose the meaning? Underline this clue in the sentence.

Word Parts

- a. Write down the meaning of each word part.
 - i. Prefix:

 - ii. Suffix:

 - iii. Root:

b. Take notes on each word part by writing down at least 5 prefixes, suffixes, and roots along with each meaning and example.

i. Prefix:

ii. Suffix:

iii. Root:

c. Read the following sentences and circle the best answer for the underlined word.
